As a minor child, it is necessary that signed permission be obtained from a parent or guardian before any dental care can begin. I acknowledge that the above information is correct and grant this office permission to provide my child's dental and related medical/surgical treatment as deemed necessary, utilizing proper and acceptable methods used in the specialty of pediatric dentistry to complete treatment, including diagnostic radiographs. Protective restraints are used only when children may harm themselves or when certain procedures may jeopardize their health and welfare without such restraints. If my child ever has a change in his/her health, I will inform the doctor at the next appointment without fail. I will be responsible for the cost of this dental treatment.
